### **Important Notes about Wake Tech classes:**

An asterisk \* means the class is full or has already begun.

If you see a class you'd like to take and it is full or has already begun, see front desk personnel to put your name on waiting list, however there is no guarantee class will be offered again.

Wake Tech class application form **MUST** be submitted and signed no later than one day prior to 1<sup>st</sup> day of class or lecture.

Students **MUST** be in 1<sup>st</sup> day of class. **NO ONE** is allowed to start class on the second week (or class). Arrive for class at scheduled time – latecomers will be considered absent and not allowed to enter the class.

Wake Tech classes are *college classes*. It is important that all students be **committed** to attending **every** class they have signed up for. Instructors are paid by Wake Tech to teach these classes at **no charge** to the students. If you miss more than two classes in a course, you may not be considered for another Wake Tech class. If students sign up and do not regularly attend classes, Wake Tech will discontinue offering these special classes to NWSC.

All students receive a certificate upon completion of each Wake Tech class.
